

The Rev. J. Randall and Family, Mr. Corvell & Family were all on board without any unpleasant Differences with the natives - I now felt much Pleasure in the Prospect of a Speedy return to my Family and People; and being very weary with various Toils and Anxieties both of Body and mind I longed for a little Rest and retired to my Cabin with much Thankfulness and Content - I had Cause to be thankful for continued good Health, during the Period I had been in N. Scotland, as I had not lost one Day - I was not well when I left N. S. waters, but I found myself better, and able to undergo much Fatigue - I also was happy to see that there was every Prospect of Success in the mission, and felt confident that the Rev. W. Williams, either by Precept or Example or by both, would be able to rectify many evils when I was gone - The removal of the Rev. J. Randall, and Mr. Corvell will also prove a great Benefit to the mission - and I doubt not but God will prosper the work yet and raise up a Seed in this benighted Land to serve him - "for many shall come from the South as well as the North, and shall sit down with Abraham Isaac & Jacob in the Kingdom of God"
