

gamine and ~~to every where~~ as all their hocks
and potatoes were destroyed, and their gams neglected
I replied, it would be much better for all the Chiefs
to assemble, and make Shunghee King upon
condition that he would not fight, but protect
them - He asked me if I had mentioned this
to Shunghee; I informed how I had - negotiation approved
of ~~the~~ Shunghee having the authority if he
would only be quiet; and said he would go see
see Shunghee, and talk with him on the subject.
but he had little hope that Shunghee would
abstain from war - As for himself, and some
others they were ashamed when called upon to
join in an Expedition, not to go, as they would be
considered as cowards if they did not, however
much averse to war they were. but he was
determined to leave New Zealand rather than
be compelled to fight - His wife told me she
would give me a Shave on Monday morning -
he was a Chiefs son, who had been killed in
battle, the boy had been taken a Prisoner
of war - I accepted her offer, as this would
redeem another poor Creature from
the vilest bondage and slavery - A Shave
has no security for his life - his master
kills him, whenever he pleases, and
treats him in any way his passions
dictate - They are much to be pitied -
nothing but the Gospel has blessed God
can effectually provide a remedy for
their spiritual and temporal bondage
