

J. Fawcett to Josiah Pratt

Stanwix May 12. 1808.

Dear Sir/

I have not yet rec^d the reports & Vol^s of Hall but as M^r Smith the assist^t Secretary sent me one with some bibles I made use of that— I[t] would be an advantage if I rec^d the reports earlier —

W^m Hall is in readiness to go to York whenever M^r Marsden sends for him. I hope M^r M. will direct his letter to me. With respect to L. Johnson I will write more particularly soon —

There is no opportunity that I know of of [sic] his learning Arabic in Carlisle or y^e neighbourhood. I send the subscri[ption]^s & names - [f]
