Dear Sir

Rev. J. Fairclough to Secretary of the

I have not yet rec<sup>d</sup> the reports  
of Mr. Hall but as Mr. Smith the  
Secretary sent to me some  
I made use of that - I would be an ad-  
vantage if I rec<sup>d</sup> the reports earlier -

Mr. Hall is in readiness to go to York  
whenever Mr. Marsden sends for him,  
I hope Mr. M. will direct his letters to  
me. With respect to L. Johnson I

will write more particularly soon -

There is no opportunity that I know of  
of his learning Arabic in Cadix or its  
neighbourhood. I send the subscri<sup>r</sup> &  
names -
