

MS. 498/6

J. Fawcett to Josiah Pratt

Carlisle June 17. 1808

Dear Sir

W^m Hall has been at Leeds to have an interview with M^r Marsden— They seem mutually pleased with each other— Lewis Johnson has begun his studies, a little time will shew what prospect there is of his making a successful proficiency—

Since I last wrote, I have received two guineas more for the Missionary Society; so that on the whole you will have to add on my account 5 guineas to the sum sent by M^r Thomason from S^t. Cuthbert's.

I remain

Sir

Your faithful Serv^t.

J. Fawcett
