

June 17/08 J. Fawcett to Secretary 498 006 June 17/08
Carlisle June 17. 1808

Dear Sir

W^m Hall has been at Leeds to have
an interview with Mr. Marsden - they seem mutually
pleas'd with each other. - Lewis Johnson has begun
his studies, a little time will show what prospect there
is of his making a successful proficiency -

Since I last wrote, I have received two guineas
more for the Missionary Society; so that on the whole
you will have to add on my account 5 guineas to
the sum sent by Mr. Thomas from S^r Cuthbert's -

I remain

Sir your faithful Serv^t

J. Fawcett
