

I have examined the bills I believe them
very right & proper. If you give me
commission to draw upon you for £65.10.0
I will advance the whole sum: in the
mean time, I will let Hale have 20 or
30 guineas on acc^t. - He has rec^d £10.10.0
for Mr Scott which he has spent in
journey to Leeds, in several journeys to
Paul with Mr Barnes to examine the
Ship of the Lion, which is now constructing
there &c &c -

You must tell me where I
must draw upon you; i.e. where I must
specify in the bill your residence

I am, dear Sir

Yours very truly

Mr Dike
