

5 Mr J. Kendall to Secretary June 20/10

Rev. Sir June 20/10 498 028 R 37

I am desired by the Revd. Mr. Pratt to leave the enclosed  
Ltrs from Mr. Hurdson with  
you, in order that you may  
return them again to him  
when you see him on Monday  
next.

I perfectly agree  
with Mr. Hurdson in his plan  
of proceeding with respect to  
the New Zealanders, and am  
happy to add on the part of  
myself and Mrs. Kendall, that

we shall cheerfully obey  
the summons; and we humbly  
trust that God will qualify  
us for the work, and accept  
our feeble endeavours to promote  
his Honour and Glory.

In contemplating the  
rising glories of the Redeemer's  
Kingdom, every true believer's  
heart must be filled with holy  
delight. Every humble instrument  
employed in promoting its  
interests will become partaker  
of this joy in proportion to

his capacity & zeal, while both  
Heaven & Earth will acknowledge  
to the Lord, that by <sup>his</sup> ~~his~~ <sup>own</sup> ~~own~~  
right hand and his holy  
arm hath he gotten himself  
the victory! And now

And so  
Yours faithfully  
The Revd. B.

God bless. 20 June 1712
