Dear Sir

I have a sudden  
 call into the country & shall  
 probably leave Down tomorrow  
 morning. It is therefore most  
 likely that I cannot join the  
 will be force in the application  
 to the Sec<sup>y</sup> of State about Mr  
 Mendel. I will however have  
 your letter & also Mr Massden's  
 with Mr Wilberforce who will,  
 I believe, stay in this country  
 a few days longer.

I find my Mother very  
 desirous of understanding to be sure
