

July 27/12

(I find Mr Macaulay has a similar  
note); but if you have an oppor-  
tunity of better acquaintance from  
some other ~~quarter~~ <sup>quarter</sup>, you will of  
course think no more of my be-  
sting, for you certainly ought to  
do the best you can for the Soci-  
ety.

If you wish to stick to my  
new subscription, a letter addressed  
to Mr Wm Robinson, Baggage  
warehouse, India House, will  
do.

I am, dear Sir,

Yours truly  
W. B. B. B.

W. B. Robinson

My nephew's letter was intended  
only for my eye.
