

MS. 498/32

Thomas Kendall to Josiah Pratt

August 10/12

Great Quebec Street New Road

Rev^d Sir

M^{rs} Kendall is willing to teach a School at New South Wales according to the best of her ability, but I think the number of her Scholars must be limited; and that it would be advisable for her to commence with a small number. I shall, however, be better able to judge of this, if Divine Providence is pleased to conduct us thither in safety.

It is my intention again to visit some of the Public Schools, before [f] I leave England for my own information. And am Rev^d Sir

Your faithful Serv^t

Tho. Kendall
