

Nov. 4/14

is a measure on which the
board has not made up its
mind on the principle, which
I must confess I understood
to be the case, that I may
have an opportunity of at-
tending. — It would give me
however far more pleasure
to hear that the Committee
appointed to carry the scheme
into execution was proceed-
ing with its work. —

I am always
with Esteem & regard

My Dear Sir
Yours faithful Serv^t
