My dear Sir com. Nov. 14/14  
Publ. of the Islands - thanked for vol. of Rep.

By a ship (the James Hay) just arrived from New South Wales the Directors of the Missionary Society have received an interesting letter from their Missionaries at Camoo giving an Acco<sup>t</sup> of several more of the Natives having turned from dumb Idols to the living God also a short letter from The Rev Mr Marden in which he refers to a fuller communication of the State of Affairs in the South Sea Islands in general which he has sent to you & which as he had not time to copy he had no doubt you would lend on our requesting it of you.

I am desired therefore in the Name of our Directors to beg the favor of that letter for

perusal particularly as the Committee to whom  
the concerns of the Tahitian Mission are  
confided are requested to meet & report on  
the request of our Superintendents at Linné for  
a reinforcement of their Number

I beg to inform you that the  
Ship Hebe is expected to sail for  
Port Jackson in the course of next  
Month & remain

Yours &c. Very truly Yrs  
J. W. Gray
