My dear Sir,

I write & sent a letter

to you by our messenger which he
left with a bound volume of the Reports

of the Orphanary Society for your library
presented by our Directors to your Committee

at your Orphanary House in Salisbury

but as I have received no Answer

to my request of Mr. Marden's letter

I presume you may not have called

at the House therefore have not yet

Oct. 29/14

received my Note. May I beg the
Favor of your transmitting me Mr.
Gardner's Letter to which he refers
us for the Information which he
had not time to copy for our use
as the Committee of our Tabernacle Union
meet on an early day to make their
Report previous to the sailing of the
Sloop by which I hope we must of
course reply to the Letters we have
received. I remain

Very truly yrs
S. M. Tracy
