Rev. Sir / I thought it right  
 to inform you there is a legacy  
 of £1.19. & due to my Brother  
 wife from the late Mr. Tho:  
 Quicksall House steward to the  
 Right. Hon: Lord Yarborough the  
 legatees has rec<sup>d</sup>. there shares about  
 6 Weeks back the Money is in the  
 hands of Mr. Smith Stone Mason  
 Great Yarmouth I sh<sup>d</sup>. advise you  
 to send my Brother word as soon  
 as possible I sh<sup>d</sup>. have wrote to

 w<sup>d</sup>. have a better opportunity of

getting him word then myself as you  
can mention it more than once in  
your letters to him I have not  
had a letter from him this 18  
Months I hear from New Zealand  
in your Monthly Register my  
Brother and his Colleagues calls  
out for help I sh<sup>d</sup> have no object  
or of going to him was it the  
will of Jehovah for the prosperi  
ty of Zion is the joy of my  
heart I consider it my duty to  
pray for the Ministers and Mission  
ners of Jesus every night with  
the whole Church of God.  
I am in my present situation like

a Pargson alone on the horse <sup>Dec 24/17</sup>  
as not being favoured with a Gospel  
minister nor having a friend in the  
parish that I can converse comfortably  
with I have oft thought of trying  
my fortune in London but have  
not yet had courage enough to venture  
and trust to the providence of  
God, I am with every good wish to  
the cause of truth & Liberty

Your Obedt. Servant  
Edw. Kendal
