March 25/18

Adby & Ball, London.

British and Foreign School Society

These are to certify, that Mr Francis Hall, has diligently attended the Central School of this Society, upwards of 2 months, that he has acquired a complete knowledge of the British System of Education, and has practised the same in all its departments, with assiduity and attention. — Mr H. is anxious to join the Missionaries at New Zealand, for which object he appears eminently qualified. —
