My dear Sir

Com^d. Sep. 13/19 (in Cor.)

The Papers which
you were so obliging as to send to me
have been read over to me - but there is
not among them the answer returned by
Mr Marsden to Mr Secy. Campbell's public
Letter to him of 3^d Aug? If that was
sent you with the others, that only
not been sent me by mistake, let me
beg you to have the goodness to forward
it to me at Hatchards 190. Piccadilly
by the 2^d Post, unless you can lay your
hand on it immediately, in which
case I trust you will be so kind as to
make it up, & send it to me by 3^d.
