is now greatly straitened, on account of
the final means, the ship Medway, is now
only expecting the favourable change of
Wind, to take in her complement here, &
depart: wherefore I have repeated my
application to Lord Bathurst, & now
am depending for success only on your
benevolent assistance in such my endea-
-vours: I should ^{you} not be inclined to re-
ject this offer, I am confident of my
powers of nature, & if expedient, should
be rejoiced to expedite your interests,
by the complete scouring of every nook
of the interior of those two great Islands,
^{as} the simplicity of that language I know
to correspond both with the present dis-
positions, & future spiritual improvement,
