Dear Sir Com: Jan 8/21

I have received all of the articles you sent me safe, and have delivered the presents to the Chiefs for which they are very thankful.

I shall attend to the hints you have furnished me with - am glad you have settled with Capt<sup>r</sup> M'pherson respecting the visit of the Chiefs - We are comfortable and happy.

Farewell my dear friends farewell I entertain at present no hopes of ever visiting England again - May our next interview be around the luxurious Throne.

Yours very faithful Serv  
Thos. Kendall
