

The Society may be assured that every necessary attention shall be paid to their missionaries, and that I shall feel a pleasure in communicating to them such Knowledge as may be of use to them in future. Should circumstances render it necessary for them to continue in our islands, it is my intention to see if any thing can be done for the instruction of the natives of New Holland. I purpose to place W<sup>m</sup> Hall, his wife, and <sup>John</sup> King upon a Piece of Land, and to make some little Establishment for the accommodation of our own natives, and those of the Islands who may visit us, and who have no Place of Protection. Now for I may succeed I can not say as yet. I shall write to you again when Opportunity offers - you will excuse this hasty line. Present my respects to the Society - all our Families are well -

I have the Honor to be  
 Sir your most obed<sup>t</sup>  
 humble Servant
